

Billet Doux enjoy designing your 'sweet notes'

You will need pencil, paper glue stick, fabric scissors, paper scissors & Appliglué ♦ select a template ♦ trace it off on to card & cut out ♦ mark the outline with pencil on the fabric of your choice & cut out. ♦ experiment with where you think the fabric will be best placed on the card ♦ apply light dabs of paper stick glue on the back of the fabric & place it firmly on to the card.

Hints ♦ read the free Appliglué leaflet & **experiment on scrap paper before beginning.** ♦ edge and embellish your fabric designs with Appliglué ♦ fray the finer fabrics to create interesting edges ♦ use your nozzle like a crayon ♦ blend colours ♦ water down colours with a few drops of water & a squeeze of Appliglué on a saucer & blend using a cotton wool bud & wash the colour over the card surface for a faded background ♦ less is more – keep it simple

Other Ideas ♦ cellophane sweetie wrappers ♦ textured papers ♦ beads ♦ sequins ♦ buttons ♦ wool ♦ interesting threads ♦ fabrics ♦ keep the off-cuts of your fabrics for abstract designs ♦ extend your creations to gift tags, wrapping paper & dinner place cards.

Foiling ♦ create your design outline with Appliglué ♦ dry – approx. 30 minutes ♦ place the foil over design, shiny colour facing upwards ♦ direct hot air from a hairdryer over the foil for 10 seconds & rub over the area with a tissue ♦ you will feel the raised impression of the Appliglué ♦ remove the foil ♦ **use the negative** ♦ apply paper stick glue to the back of the foil and place it firmly in position ♦ heat, rub down and leave for a few minutes before removing the foil. You may choose not to remove the foil if preferred ♦ Appliglué colours are great used as backgrounds – the colours show through the negative & acts as an adhesive as well.

♦ **foil a solid background** ...use your finger or a paint brush and spread Appliglué over the surface ♦ allow to dry and proceed as before

Finaly: Once you have created your card, allow it to dry overnight. Appliglué may remain slightly tacky. AppliCraft envelopes are specially made to protect your Appliglué design. If using a regular envelope place a piece of greaseproof paper over the design.

HAPPY HALLOWEEN

GOULISH WRITING - Great for cards, fabric or glass.
Print your word then go back, adding slightly shaky lines and droplets to any high points and at the ends of the letters.

Stars & Swirls - Add some Magic!
Foil stars and swirls, or use glittery fabric and foil the edge for effect

Moon- Use silver metallic fabric to make the moon shine.

Cut out any of these designs from fabric and Appliglué onto a tablecloth or napkins for a fun party theme.

Go Batty! Appliglué black bats onto a white or orange t-shirt.

Pumpkin - Appliglué design onto a glass, vase or jar for a spooky nightlight.

Cauldron - Use sequins or Appliglué to enhance the potion.

Witches Hat - Appliglué a black fabric hat then add purple stars and silver moons.
